Castro, Jhon Russel L.

Hardworking and passionate job seeker with strong organizational skills, eager to secure an entry-level Web Developer position. Ready to contribute to the team's efforts in achieving company goals, while leveraging my adaptability, problem-solving skills, and proficient knowledge and experience in creating websites using HTML, CSS, JavaScript, PHP, and MySQL. Additionally, I bring experience in utilizing Angular JS, Python, and Node.JS, along with a track record of creating mobile apps using the Java programming language within the Android Studio environment.
